

PowerBoss Phoenix 20 Walk-Behind Scrubber

The Phoenix 20 is a compact brush scrubber with a 20" cleaning path and is offered in disc or cylindrical models. The traction drive model 20 covers 20,000 ft² per hour. Traction drive models offer ergonomic, adjustable speed regulation with the turn of a dial. The sleek design provides an excellent line of sight and the compact design results in total operator comfort by focusing on ergonomics. Easy-to-understand controls ensure that the machine is simple to operate.

The Phoenix 20 features 12 gallon solution tanks and 13 gallon recovery tanks. The recovery tank is easy-to-clean and hygienic, while the Anti-Foam System (AFS) protects the vacuum motor from damage. An on-board charger is convenient and allows the machine to be charged anywhere. As an added safety feature, when the on-board charger is plugged in, the machine is not operable.

Brush loading / unloading is as easy as the turn of a switch. The operator never has to manually remove the brushes. Squeegees have also been designed so that no operator adjustment is necessary. A low brush deck design is ideal for cleaning underneath obstacles such as shelves, warehouse racks and other stationary objects.

Specifications

Cleaning Path Width:	20"
Squeegee Width:	33"
Theoretical Productivity (BD):	15,000 ft ² / hr
Theoretical Productivity (TD):	20,000 ft ² / hr
Working Speed (BD):	1.7 mph
Working Speed (TD):	2.3 mph
Transport Speed	3 mph
Rated Voltage:	24V
Vacuum Flow:	65 cfm
Vacuum Waterlift:	45"
Vacuum Power:	.60 HP
Drive Motor Power (TD):	1/5 HP
Brush Type:	Disc
Brush Motor(s) Power:	¾ HP
Number of Brushes:	1
Brush RPM	180 rpm
Solution Capacity:	12 gallon
Recovery Capacity:	13 gallon
Weight with Batteries (BD):	313 lbs
Weight without Batteries (BD):	203 lbs

General Description:

- Cleans up to 27,280 ft²
- 20" scrub path
- Two (2) disc brushes, medium duty
- 12 gallon solution tank
- 13 gallon recovery tank
- Vac motor ¾ HP
- Equipped with on-board charger
- Brush speed 180 rpm
- Brush motor ¾ HP
- Cylindrical 380 lbs with batteries
- Weight: 372 lbs TD with batteries
- Weight: 313 lbs BD with batteries
- L x W x H: 47.4" x 21.3" x 42.3"
